

NEW FACES TAKE YOU PLACES!

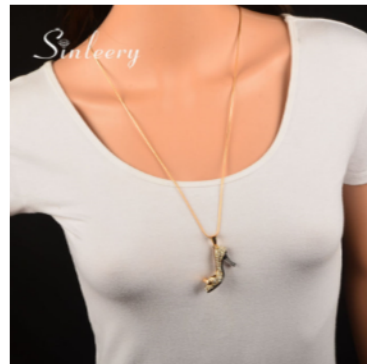

The New Fiscal Year began July 1, 2017! Now is the time to make a decision on your new goals! The first suggestion I have is to commit to the Consistency Club! Mary Kay has the beautiful bracelet with a charm to celebrate you when you order 600w or more each month.

START

July

I am giving you an opportunity to earn this beautiful necklace and a coordinating charm to the MK bracelet each time you order at least 225w or more 3 months in a row!

Ordering each month is to your advantage.

1. You always have the new products.
2. No need to trade or borrow because you can order it yourself.
3. You have a monthly goal to sell at least \$450 a month to assure a \$225w or more!
4. You will see your profit levels grow because you are focused on your sales each month
5. When you complete the 12 months you will select a piece of jewelry from our Seminar Treasure Chest.
